**The Anscombe Bioethics Centre** is an organisation which does research on behalf of our Bishops and education for the Catholic community on moral matters in medicine. They have a new website which has resources which will benefit parishioners who are doctors, nurses, or others who work or study in fields related to health and social care. You can access and benefit from their work through their website and social media: [www.bioethics.org.uk](http://www.bioethics.org.uk) You can also sign up to their monthly digest for the latest news, events, and accessible briefings on moral matters in medicine, here: <https://bit.ly/ABC-Subscribe>
